### ***A LITTLE BACKGROUND ABOUT BARLEY CREEK***

---

On December 15, 1995, Eileen and Trip Ruvane opened Barley Creek Brewing Company, Northeast Pennsylvania's first microbrewery restaurant since Prohibition. Now in our twentieth year of operation, our casual family brewpub has earned an excellent reputation for terrific food, superior service, and world-class ales and lagers. At Barley Creek, we've assembled an awesome catering staff and look forward to helping you plan a great event, whether it's hosted at our place or yours. We can come to your house, to your yard, or even to your tree fort. Or, you can come to our place. The back Onyx Bar room seats about 40. Outside, our Pint Size Park offers two spaces; a Patio or Pavilion, overlooking our wiffleball stadium. We can accommodate parties of just about any size at our Park. We're confident that you'll find our catering service an exceptional value. To get the party started, please email us or call Barbara. The Barley Creek team looks forward to helping you host a great event with no worries!

Cheers,
